

How to attach Chin Strap to Sweet Iron Snaffle

(see page 142 of Pat's book)

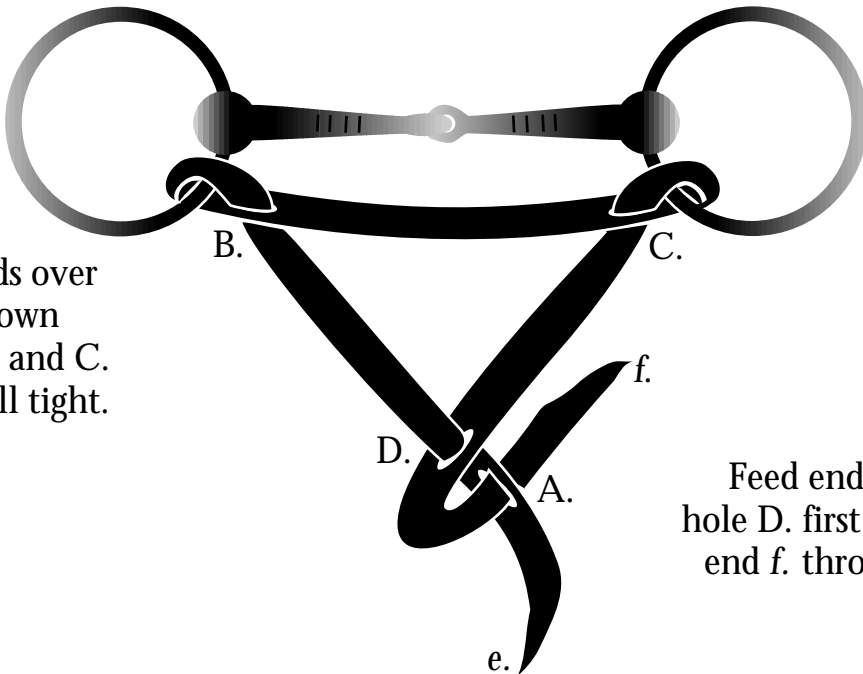

1.

Thread leather through bit as shown.

2.

Fold leather ends over bit ring and down through holes B. and C. as shown and pull tight.

3.

Feed end e. through hole D. first and then feed end f. through hole A.

4.

End result should look like this.
